Redmine - Defect #10184

"source:" tag leads to broken link when used with specific git revision

2012-02-09 11:45 - Bernhard Furtmueller

Status:	Closed	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			
Resolution:	Invalid	**Affected version:**	1.2.2

Description

source:/files/cluster.conf#L75

translates to:
.../cluster.conf#L75

and opens correctly:

```
Completed in 234ms (View: 139, DB: 2) | 200 OK [..../cluster.conf]
```

while

source:/files/cluster.conf#L75@40888b616b7cc27aea5f07d4807ab44c55401ba6

translates to:
..../40888b616b7cc27aea5f07d4807ab44c55401ba6/.../cluster.conf%23L75

and yields a 404 error:

```
Completed in 113ms (View: 53, DB: 4) | 404 Not Found [..../cluster.conf#L75]
```

When replacing %23 with # the url works again.

History

#1 - 2012-02-09 11:49 - Bernhard Furtmueller

the problem actually exists here (with svn) as well:

source:/trunk/test/unit/lib/redmine/scm/adapters/git_adapter_test.rb#L20@8817

source:/trunk/test/unit/lib/redmine/scm/adapters/git_adapter_test.rb#L20

#2 - 2012-02-09 13:12 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Invalid

Simply put the line index at the end:

source:/trunk/test/unit/lib/redmine/scm/adapters/git_adapter_test.rb@8817#L20

#3 - 2012-02-09 13:49 - Bernhard Furtmueller

BUMMER

I actually looked here:

http://www.redmine.org/projects/redmine/wiki/RedmineTextFormatting

But still I managed to mix up the order.

sorry for the noise.
thx,
bernhard
