Target version:	2.3.2		
Resolution:	Fixed		

Description

IMHO it would be a good idea to include RUBY_PATCHLEVEL in lib/redmine/info.rb

I imagine that sysadmin and redmine admin are the same person on most systems, so that would provide an additional hint as to the patchlevel the application is running on.

Associated revisions

Revision 12002 - 2013-07-11 20:43 - Jean-Philippe Lang

Add more info about the ruby version (#14419).

Revision 12003 - 2013-07-11 20:45 - Jean-Philippe Lang

Add more info about the ruby version (#14419).

History

#1 - 2013-07-11 20:46 - Jean-Philippe Lang
