History

#1 - 2014-06-13 06:33 - Michael Esemplare

When copying an Issue you have the ability to either choose between the default issue status and the current issue status.

I would make sure your default issue status is not set to closed (Administration -> Issue statuses).

Note: You can only do this on the Issue you are copying. When subtasks are selected to be copied, their statuses are preserved.

#2 - 2014-06-18 08:46 - Toshi MARUYAMA

- Tracker changed from Defect to Feature

- Subject changed from Copying a closed issue into a new one keeps status closed to default status of copying closed issue

#3 - 2014-06-18 08:47 - Toshi MARUYAMA
