**Description**

Hi,everyone
I like redmine very much.
during my using the redmine,I alaways link two related issues on the issue page by clicking the "add" link.
would I can simply by right clicking two selected issues on the issue listing page to make the two issues to be related issues.that would be perfect.
thanks.

### History

**#1 - 2008-11-11 10:35 - Jean-Philippe Lang**

*- Target version deleted (0.8)*

**#2 - 2013-03-18 06:46 - Dipan Mehta**

This essentially can be achieved if we add "Related issues" through context (on right-click) menu like bulk-edit.

**#3 - 2013-03-21 06:26 - Toshi MARUYAMA**

*- Assignee deleted (Chaoqun Zou)*

**#4 - 2023-03-17 07:30 - Go MAEDA**

*- Category changed from Projects to Issues list*
