Redmine - Defect #33709

CSV inport failture

2020-07-09 06:19 - aleksey babulin

Status:	Closed	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Importers	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Invalid	**Affected version:**	

Description

Importing is not working.
  Снимокдddd.PNG
Using custom or example one, no tables pass this check:
  Снимокдddd1.PNG

How to make it work?
How to make Kirillic symbols not to be bunch of unreadable, ununderstandable symbols?

History

#1 - 2020-09-13 04:12 - Go MAEDA

- Category set to Importers

#2 - 2021-02-28 06:46 - Go MAEDA

- Status changed from New to Closed
