

Redmine - Patch #35268

Issue.acts_as_searchable columns option cleanup

2021-05-20 16:29 - Thomas Löber

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Code cleanup/refactoring	Estimated time:	0.00 hour
Target version:	Candidate for next major release		
Description			
Hi,			
Just for the sake of completeness, in Issue.acts_as_searchable the columns option should specify the table name for both columns.			
A patch is attached.			
Best regards, Thomas			

History

#1 - 2023-02-07 03:14 - Go MAEDA

- Target version set to 5.1.0

Setting the target version to 5.1.0.

#2 - 2023-03-01 04:50 - Go MAEDA

- Target version changed from 5.1.0 to Candidate for next major release
