History

#1 - 2021-06-14 11:35 - Holger Just

- Status changed from New to Needs feedback

Please describe your issue with more details. If you are seeing an error, please show this exact error (from a verbatim log entry or at least a screenshot). Please also describe:

- what specific action you are performing
- which result you would normally expect from this action
- what you are seeing instead (please be specific!)
- and how the result you are seeing deviated from your expectations.
