| #     | Project | Tracker | Status         | Subject                                                                                                                                             | Updated          | Category |
|-------|---------|---------|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|------------------|----------|
| 40588 | Redmine | Feature | Needs feedback | Ability to disable table sort                                                                                                                       | 2024-04-25 07:34 |          |
| 40551 | Redmine | Defect  | New            | Unit tests fail with Mocha 2.2.0                                                                                                                    | 2024-04-11 11:13 |          |
| 40528 | Redmine | Defect  | Confirmed      | Hangs when requesting after code changes in development mode                                                                                        | 2024-04-07 06:09 |          |
| 40490 | Redmine | Defect  | New            | login page back_url always use http not https                                                                                                       | 2024-03-30 08:42 |          |
| 40489 | Redmine | Feature | New            | `copyTextToClipboard` to make it easy to see that you have copied to the clipboard                                                                  | 2024-03-28 03:03 |          |
| 40450 | Redmine | Feature | New            | Add API-Request for fetching Journals which has changed since a certain date/time                                                                   | 2024-03-25 15:12 |          |
| 40425 | Redmine | Feature | New            | Custom fields » Tasks » New custom field » Format » List » Possible values text colour                                                              | 2024-03-19 12:43 |          |
| 40221 | Redmine | Patch   | New            | Update wiki content related to how to create a custom theme                                                                                         | 2024-02-16 05:49 |          |
| 40194 | Redmine | Patch   | New            | Fix error in clear_disabled_fields method when IssuePriority is missing                                                                             | 2024-03-07 12:36 |          |
| 40189 | Redmine | Defect  | New            | about packaging and distribution on fedora                                                                                                          | 2024-02-03 07:23 |          |
| 40159 | Redmine | Feature | New            | Back date entries restriction                                                                                                                       | 2024-01-31 08:35 |          |
| 40121 | Redmine | Defect  | New            | InvalidCrossOriginRequest exception raised by automated pentests or malicious user                                                                  | 2024-01-29 15:03 |          |
| 39843 | Redmine | Defect  | Needs feedback | Create a new task, the page does not jump after the task is submitted, and report 404 after 10-20 seconds. The actual task is created successfully. | 2023-12-17 04:01 |          |
| 39803 | Redmine | Defect  | Needs feedback | Plugin modules no longer working                                                                                                                    | 2023-12-20 08:13 |          |
| 39505 | Redmine | Defect  | New            | redmine preview whether the image can be scaled with the mouse                                                                                      | 2023-11-02 07:29 |          |
| 38992 | Redmine | Defect  | New            | How do I use helper_queries_column_value helper hook?                                                                                               | 2023-08-28 04:06 |          |
| 38839 | Redmine | Feature | New            | A developer or project manager can update an issue (submit a note) without editing the issue first                                                  | 2023-07-12 19:59 |          |
| 38682 | Redmine | Feature | New            | Disable option to upload files in tickets                                                                                                           | 2023-06-08 18:23 |          |
| 38575 | Redmine | Feature | New            | filter parent issue no                                                                                                                              | 2023-05-23 09:25 |          |
| 38494 | Redmine | Feature | New            | Add user with same roles   add by duplicate user roles                                                                                              | 2023-05-11 13:35 |          |
| 38431 | Redmine | Feature | Needs feedback | Add Counter to news                                                                                                                                 | 2023-04-11 15:47 |          |
| 38317 | Redmine | Defect  | New            | Redmine 5.0 stable Mention User function doesn't send mail notification                                                                             | 2023-07-04 10:50 |          |
| 37994 | Redmine | Patch   | New            | Unify link to user/group in application helper                                                                                                      | 2023-01-02 19:29 |          |
| 37762 | Redmine | Defect  | New            | Project form - editable custom fields                                                                                                               | 2022-10-10 12:40 |          |
| 37748 | Redmine | Patch   | New            | Favicon takes a long time to load                                                                                                                   | 2022-10-05 03:42 |          |
| 37688 | Redmine | Defect  | New            | Move to modern authentication(OAuth 2.0) from IMAP for receiving email in Redmine.                                                                  | 2024-03-01 21:38 |          |
| 37584 | Redmine | Defect  | New            | Gantt PNG export fails (MiniMagick error)                                                                                                           | 2023-08-22 16:16 |          |
| 37540 | Redmine | Defect  | New            | If issue assigned to is a group, email will not send normally.                                                                                      | 2022-08-05 10:06 |          |
| 37366 | Redmine | Feature | New            | Redmine Docker - Easy deploy upgrade, administer                                                                                                    | 2022-10-02 10:09 |          |
| 37257 | Redmine | Defect  | New            | Conflict when update sub-project of                                                                                                                 | 2022-06-16 16:30 |          |
| 37165 | Redmine | Defect  | New            | Can not get anonymous user using User.find                                                                                                          | 2023-01-05 12:34 |          |

| #     | Project | Tracker | Status         | Subject                                                                                                                                          | Updated          | Category |
|-------|---------|---------|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------|------------------|----------|
| 37127 | Redmine | Feature | New            | Remove attachment based on minimum file size.                                                                                                    | 2022-06-10 04:51 |          |
| 37115 | Redmine | Feature | New            | Update last_login_on when sending requests with API Key                                                                                          | 2023-08-03 03:01 |          |
| 37108 | Redmine | Feature | New            | Support all variation of same character in persian/arabic scripts                                                                                | 2022-05-11 14:44 |          |
| 37048 | Redmine | Defect  | New            | generate redmine_plugin is broken for Redmine 5                                                                                                  | 2022-05-24 10:41 |          |
| 36852 | Redmine | Feature | New            | Load and use bash/system ENV variables in config YML files                                                                                       | 2022-04-12 18:16 |          |
| 36794 | Redmine | Defect  | New            | Issue copying ignores workflow rules                                                                                                             | 2022-03-17 16:46 |          |
| 36702 | Redmine | Feature | New            | Inline autocomplete for versions                                                                                                                 | 2022-02-25 09:06 |          |
| 36438 | Redmine | Patch   | New            | Support nulls first/last option for sorting order of custom queries                                                                              | 2022-01-17 13:41 |          |
| 36376 | Redmine | Feature | New            | accidentally delete a member in the project member settings                                                                                      | 2022-01-18 10:49 |          |
| 36265 | Redmine | Patch   | New            | More flexible options for issue notifications                                                                                                    | 2021-12-01 10:27 |          |
| 36260 | Redmine | Defect  | New            | Gantt error                                                                                                                                      | 2021-11-30 11:55 |          |
| 36252 | Redmine | Feature | New            | Make the wiki multi-lingual                                                                                                                      | 2021-11-26 11:18 |          |
| 36176 | Redmine | Feature | New            | Create automatic subtasks                                                                                                                        | 2021-11-09 12:35 |          |
| 36056 | Redmine | Feature | New            | Update password hash function                                                                                                                    | 2021-10-27 11:09 |          |
| 35920 | Redmine | Feature | New            | Display caption of "Group by column" on the grouped issues list                                                                                  | 2022-04-12 08:03 |          |
| 35885 | Redmine | Defect  | New            | the change of routing raw files from repositories not included in the upgrade proces/manual                                                      | 2021-09-24 17:32 |          |
| 35802 | Redmine | Defect  | Needs feedback | Redmine profile language form lists non-localized languages as English                                                                           | 2021-08-24 23:17 |          |
| 35749 | Redmine | Feature | New            | Call Redmine::Hook.call_hook(:model_changeset_scan_commit_for_issue_ids_pre_issue_update) not only in case of a fixed issue with 'fixes' keyword | 2021-08-12 09:42 |          |
| 35648 | Redmine | Patch   | New            | Changelog generator should allow merging two or more versions                                                                                    | 2021-08-01 10:15 |          |
| 35536 | Redmine | Patch   | New            | Use webpack to improve javascripts and stylesheets management                                                                                    | 2023-09-24 18:11 |          |
| 35382 | Redmine | Defect  | New            | Copy Project Tracker and Tasks and relations                                                                                                     | 2022-01-27 21:08 |          |
| 35217 | Redmine | Patch   | New            | Replace use of Digest::MD5 / Digest::SHA1 with ActiveSupport::Digest                                                                             | 2021-05-07 15:14 |          |
| 35102 | Redmine | Defect  | New            | Issue Tracking Details are showing issue statuses even if they are not used within the project                                                   | 2021-04-15 11:02 |          |
| 35062 | Redmine | Defect  | Confirmed      | Back URLs with <t+ operator break                                                                                                                | 2022-01-18 20:10 |          |
| 34593 | Redmine | Defect  | Needs feedback | privacy problem on users info                                                                                                                    | 2021-01-24 22:45 |          |
| 34176 | Redmine | Defect  | New            | Empty page reponses on Redmine 3.4.5.stable                                                                                                      | 2020-10-27 18:10 |          |
| 33718 | Redmine | Feature | New            | Import abilities, provided by obsoleted plugins                                                                                                  | 2020-07-10 11:19 |          |
| 33674 | Redmine | Feature | New            | Cannot remove user from project when user is assigned to a group                                                                                 | 2022-12-13 14:17 |          |
| 33486 | Redmine | Feature | New            | When copying the task, I want to reflect the version change of the main task in the version of the subtask                                       | 2020-06-02 15:09 |          |
| 33287 | Redmine | Defect  | Needs feedback | Issue File Column Attachment Link Error                                                                                                          | 2020-08-16 22:41 |          |
| 33211 | Redmine | Patch   | New            | Include block columns (ex: Description, Last notes) in CSV export when option "All columns" is selected                                          | 2021-03-28 19:53 |          |
| 32844 | Redmine | Feature | New            | The ability to change the 404 not found screen on each site                                                                                      | 2020-01-20 12:29 |          |
