| #     | Project | Tracker | Status         | Subject                                                                                                                     | Updated          | Category                  |
|-------|---------|---------|----------------|-----------------------------------------------------------------------------------------------------------------------------|------------------|---------------------------|
| 40642 | Redmine | Defect  | New            | PDFs generated from Issues do not display images if text formatting language is Commonmark Markdown(experimental)           | 2024-04-28 18:48 | Issues                    |
| 40411 | Redmine | Feature | New            | The watch button/link should show if the issue is watched by group                                                          | 2024-04-28 11:33 | Issues                    |
| 40413 | Redmine | Defect  | Needs feedback | The issue list filter "Watched by" only dereferences "watched by group" for "me" value                                      | 2024-04-28 11:24 | Issues list               |
| 40412 | Redmine | Defect  | Confirmed      | Issue list filter "Watched by: me" only shows issues watched via group for projects with the view_issue_watchers permission | 2024-04-28 11:07 | Issues                    |
| 29894 | Redmine | Feature | Resolved       | View watchers on the issue list                                                                                             | 2024-04-28 09:27 | Issues list               |
| 40410 | Redmine | Defect  | Resolved       | Watcher groups on new issue form get dereferenced on validation error                                                       | 2024-04-28 09:15 | Issues                    |
| 40556 | Redmine | Feature | Resolved       | Focus on the textarea after clicking the Edit Journal button                                                                | 2024-04-28 08:54 | Issues                    |
| 40569 | Redmine | Feature | Resolved       | Add an option to send email notification when an attachment is added                                                        | 2024-04-28 08:40 | Email notifications       |
| 1757  | Redmine | Feature | New            | Immediately send a notify email when a user is added to issue's watcher list                                                | 2024-04-27 14:10 | Email notifications       |
| 36245 | Redmine | Defect  | Resolved       | ActiveSupport::Reloader.to_prepare not working in trunk 21287                                                               | 2024-04-26 13:11 | Plugin API                |
| 40610 | Redmine | Defect  | New            | Projects page never finishes loading                                                                                        | 2024-04-25 22:51 | Performance               |
| 23954 | Redmine | Patch   | New            | Shows the date of the last activity on Projects administration.                                                             | 2024-04-25 14:35 | Projects                  |
| 40636 | Redmine | Defect  | New            | Lost the record on google authenticator                                                                                     | 2024-04-25 14:05 | Accounts / authentication |
| 40588 | Redmine | Feature | Needs feedback | Ability to disable table sort                                                                                               | 2024-04-25 07:34 |                           |
| 40632 | Redmine | Defect  | New            | Changed email notification configuration disregarded                                                                        | 2024-04-24 11:02 | Email notifications       |
| 40630 | Redmine | Defect  | New            | PDF Export generated internal error when an image is just after a bullet in a bulleted list                                 | 2024-04-24 09:19 | PDF export                |
| 40628 | Redmine | Defect  | New            | 403 when adding document when view documents permission is not granted but add document permission is                       | 2024-04-24 04:07 | Permissions and roles     |
| 38528 | Redmine | Defect  | Confirmed      | Missing Cyrillic letters in exported PDFs in Safari and Mac Preview                                                         | 2024-04-23 16:41 | PDF export                |
| 40515 | Redmine | Defect  | Resolved       | Displaying issue descriptions in the issues list ignores CommonMark table alignment                                         | 2024-04-23 04:59 | Text formatting           |
| 1667  | Redmine | Patch   | New            | Default tracker setting in each project                                                                                     | 2024-04-21 17:52 | Issues                    |
| 28011 | Redmine | Feature | New            | Setting for My page blocks to change the maximum number of issues                                                           | 2024-04-19 12:06 | My page                   |
| 2024  | Redmine | Feature | New            | gantt chart editing                                                                                                         | 2024-04-13 08:55 | Gantt                     |
| 36162 | Redmine | Feature | New            | Add notification reason to the email instead of the default static email footer                                             | 2024-04-12 07:54 | Email notifications       |
| 40552 | Redmine | Feature | New            | Activate CustomField when status changes                                                                                    | 2024-04-11 14:04 | Ruby support              |
| 40551 | Redmine | Defect  | New            | Unit tests fail with Mocha 2.2.0                                                                                            | 2024-04-11 11:13 |                           |
| 40538 | Redmine | Patch   | Reopened       | Hi, can you help me with a Version Extended?                                                                                | 2024-04-09 12:42 | Roadmap                   |
| 23546 | Redmine | Patch   | New            | Issue visibility "watched by, created by or assigned to" for roles                                                          | 2024-04-09 10:32 | Issues permissions        |
| 40528 | Redmine | Defect  | Confirmed      | Hangs when requesting after code changes in development mode                                                                | 2024-04-07 06:09 |                           |
| 40266 | Redmine | Feature | New            | Proposal to Include Direct Links to Attached Files in PDF Exports of Issues                                                 | 2024-04-05 08:19 | PDF export                |

| #     | Project | Tracker | Status         | Subject                                                                                                      | Updated          | Category                  |
|-------|---------|---------|----------------|--------------------------------------------------------------------------------------------------------------|------------------|---------------------------|
| 1448  | Redmine | Feature | New            | Add tags to issues                                                                                           | 2024-04-04 13:25 | Issues                    |
| 38740 | Redmine | Patch   | New            | Enhanced collapsing/expanding functionalities for Gantt Chart                                                | 2024-04-03 14:44 | Gantt                     |
| 37978 | Redmine | Feature | New            | New email notification option - Only for things I watch                                                      | 2024-04-03 14:43 | Email notifications       |
| 10614 | Redmine | Feature | New            | Email Notifications for Custom field with User type                                                          | 2024-04-03 04:11 | Email notifications       |
| 40362 | Redmine | Defect  | Confirmed      | Autocomplete double hash keep system test fails                                                              | 2024-04-01 14:50 | UI                        |
| 40449 | Redmine | Patch   | New            | Add updated_on field in the issue journal                                                                    | 2024-04-01 11:26 | REST API                  |
| 40198 | Redmine | Patch   | New            | Update html-pipeline to 3.0                                                                                  | 2024-04-01 03:48 | Gems support              |
| 40499 | Redmine | Patch   | New            | Replace deprecated `document.execCommand` with Clipboard API in copyTextToClipboard function                 | 2024-03-30 10:01 | Code cleanup/refactoring  |
| 40490 | Redmine | Defect  | New            | login page back_url always use http not https                                                                | 2024-03-30 08:42 |                           |
| 33188 | Redmine | Feature | New            | Migration to Active Storage as standard for attachments in Rails                                             | 2024-03-29 06:38 | Attachments               |
| 40489 | Redmine | Feature | New            | `copyTextToClipboard` to make it easy to see that you have copied to the clipboard                           | 2024-03-28 03:03 |                           |
| 40450 | Redmine | Feature | New            | Add API-Request for fetching Journals which has changed since a certain date/time                            | 2024-03-25 15:12 |                           |
| 40448 | Redmine | Defect  | New            | Accessing relations during issue destruction                                                                 | 2024-03-25 13:19 | Rails support             |
| 3956  | Redmine | Feature | New            | Login by Email                                                                                               | 2024-03-25 12:20 | Accounts / authentication |
| 40325 | Redmine | Patch   | New            | Redmine Email Notification Issue - Help Needed for Modern Authentication                                     | 2024-03-22 13:20 | Email notifications       |
| 13143 | Redmine | Feature | New            | Populate dropdown custom field list based on previous another selection                                      | 2024-03-22 11:46 | Custom fields             |
| 40442 | Redmine | Feature | New            | reply hyperlink requires class name                                                                          | 2024-03-22 05:06 | UI                        |
| 35676 | Redmine | Feature | Needs feedback | Optimize performance of syntax highlighting implementation                                                   | 2024-03-21 18:05 | Performance               |
| 29405 | Redmine | Feature | New            | Support header Content Security Policy                                                                       | 2024-03-20 10:53 | Security                  |
| 40425 | Redmine | Feature | New            | Custom fields » Tasks » New custom field » Format » List » Possible values text colour                       | 2024-03-19 12:43 |                           |
| 40422 | Redmine | Feature | New            | Print name and email to request that was create through email                                                | 2024-03-19 05:35 | Issues                    |
| 40421 | Redmine | Feature | New            | Not able to fetch email through o365 email ID                                                                | 2024-03-18 06:34 | Email receiving           |
| 40415 | Redmine | Feature | New            | Document Journals API                                                                                        | 2024-03-16 12:57 | Documentation             |
| 1151  | Redmine | Feature | New            | Open Links in New-Window                                                                                     | 2024-03-15 08:30 | UI                        |
| 40403 | Redmine | Defect  | New            | Subtasks of all levels are shown in the parent issue                                                         | 2024-03-14 21:51 | Issues                    |
| 40301 | Redmine | Defect  | New            | Issue - New version: Error when create a version with custom field of "File" type                            | 2024-03-13 05:37 | Issues                    |
| 35734 | Redmine | Defect  | New            | Comments are not shown correctly in Outlookmails when using nummeration where PRE-Blocks are included        | 2024-03-12 16:37 | Issues                    |
| 13244 | Redmine | Feature | Reopened       | Restrict log time for old days                                                                               | 2024-03-11 05:13 | Time tracking             |
| 40194 | Redmine | Patch   | New            | Fix error in clear_disabled_fields method when IssuePriority is missing                                      | 2024-03-07 12:36 |                           |
| 33829 | Redmine | Defect  | Reopened       | Fix Atom feed for issues to correctly use the updated time for "updated" element instead of the created time | 2024-03-06 15:10 | Feeds                     |

| #     | Project | Tracker | Status         | Subject                                                                                 | Updated          | Category                  |
|-------|---------|---------|----------------|-----------------------------------------------------------------------------------------|------------------|---------------------------|
| 37363 | Redmine | Feature | New            | Add native support for OIDC                                                             | 2024-03-06 13:58 | Accounts / authentication |
| 40348 | Redmine | Defect  | New            | Parent Task field not available in Import issues screen                                 | 2024-03-05 22:55 | Importers                 |
| 11044 | Redmine | Feature | New            | Custom field types for time and datetime                                                | 2024-03-02 19:56 | Custom fields             |
| 37688 | Redmine | Defect  | New            | Move to modern authentication(OAuth 2.0) from IMAP for receiving email in Redmine.      | 2024-03-01 21:38 |                           |
| 32706 | Redmine | Feature | New            | Creating new ticket via e-mail: use inline images also inline                           | 2024-02-29 16:09 | Email receiving           |
| 23212 | Redmine | Feature | New            | Project tree size and counter                                                           | 2024-02-29 00:34 | Projects                  |
| 40323 | Redmine | Defect  | New            | Filter for tracker doesn't display choice                                               | 2024-02-28 15:11 | Issues filter             |
| 38853 | Redmine | Feature | New            | do not disclose login account names (public projects disclose some user info)           | 2024-02-27 21:56 | Accounts / authentication |
| 33151 | Redmine | Feature | New            | Provide status for issue children via REST API                                          | 2024-02-27 15:26 | REST API                  |
| 40249 | Redmine | Defect  | Needs feedback | Clear filter option is not working properly                                             | 2024-02-26 21:02 | Issues filter             |
| 36320 | Redmine | Feature | Reopened       | Migrate to Rails 7.1                                                                    | 2024-02-26 07:17 | Rails support             |
| 40310 | Redmine | Defect  | New            | Open Wiki Syntax quick reference in a modal                                             | 2024-02-26 00:18 | UI                        |
| 39774 | Redmine | Feature | New            | Add logging for issue deletion                                                          | 2024-02-24 06:24 | Issues                    |
| 40303 | Redmine | Defect  | New            | Design of the code block in the issue list block column is broken                       | 2024-02-23 09:23 | Issues list               |
| 40298 | Redmine | Defect  | Needs feedback | Regarding database                                                                      | 2024-02-22 14:16 | Database                  |
| 40299 | Redmine | Feature | New            | Subproject to inherit the wiki from project                                             | 2024-02-22 09:03 | Wiki                      |
| 9309  | Redmine | Feature | New            | Descriptions in Saved Queries                                                           | 2024-02-22 02:51 | Issues                    |
| 40297 | Redmine | Defect  | New            | Projects Quick Search includes Favorite Projects and Recently Used above search results | 2024-02-21 15:33 | Projects                  |
| 1266  | Redmine | Feature | New            | Feature: Allow setting multiple target-milestones                                       | 2024-02-21 06:02 | Roadmap                   |
| 1459  | Redmine | Feature | New            | Global Holidays calendar                                                                | 2024-02-20 03:57 | Calendar                  |
| 40277 | Redmine | Feature | New            | Set day as non-working for purposes of Precedes and Following relationships             | 2024-02-20 03:54 | Issues planning           |
| 8155  | Redmine | Feature | New            | Editable related issues                                                                 | 2024-02-20 03:32 | Issues                    |
| 3195  | Redmine | Patch   | New            | issue's start date could be the latest due date of predecessors                         | 2024-02-20 03:13 | Issues                    |
| 40276 | Redmine | Defect  | New            | Following issues dates do no update when non-working days are updated.                  | 2024-02-20 02:44 | Issues planning           |
| 40267 | Redmine | Patch   | New            | Phone number as a link for textile formating text                                       | 2024-02-19 18:12 | Text formatting           |
| 40221 | Redmine | Patch   | New            | Update wiki content related to how to create a custom theme                             | 2024-02-16 05:49 |                           |
| 4687  | Redmine | Feature | New            | Add copy project permission                                                             | 2024-02-15 10:34 | Projects                  |
| 40234 | Redmine | Feature | New            | Developer guide generating test data                                                    | 2024-02-14 14:07 | Website (redmine.org)     |
| 34218 | Redmine | Patch   | New            | Increase size of value field in settings                                                | 2024-02-13 23:40 | Database                  |
| 27543 | Redmine | Defect  | New            | Key/value-pair custom field type not available to all customisable contents             | 2024-02-13 01:40 | Custom fields             |
| 33784 | Redmine | Feature | New            | Updating Mercurial helper to work with Python3                                          | 2024-02-12 06:17 | SCM                       |
| 7867  | Redmine | Feature | Reopened       | Author group filtering                                                                  | 2024-02-09 03:24 | Issues filter             |
