Redmine - Defect #1031

Filtering for status "Open" does not work on redmine.org

2008-04-10 08:07 - Raz Mataz

Status:	Closed		**Start date:**	2008-04-10
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	

Description

See the attached screenshot.
When I set a filter to only see status "Open" then it still
shows me tickets that are in status "Resolved".

Is this a bug or just a configuration problem?

History

#1 - 2008-04-10 19:41 - Jean-Philippe Lang

- File status_filter.png added

- Status changed from New to Closed

"open" in the operator list means "not closed" (it's not a status here).
If you want to see "New" issues only, choose "is" and "new", like this:

#2 - 2016-03-06 12:29 - lubnan najeh

- File 17.jpg added

Hi All,
Can I control the default value of the status to be "any" administration level?
