Category: Time tracking	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description Sometimes people forget (or are just lazy) to log their time spent. It would be nice to be able to log their time on some issue. That would imply on permissions for specific people to do it (project managers), or even any other developer on that project.	
Related issues: Is duplicate of Redmine - Feature #3848: Permission to log time for another user Closed 2009-09-11
