

Redmine - Defect #11028

Project identifier can be updated

2012-05-25 17:32 - Florian Schwab

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:	2.0.1	Affected version:	2.0.0
Resolution:	Fixed		
Description			
The identifier_frozen? method on projects always returns false.			
"errors[:identifier]" is an array, so "errors[:identifier].nil?" will always be false. (Project.rb:133)			

Associated revisions

Revision 9710 - 2012-05-25 18:43 - Jean-Philippe Lang

Fixed that project identifier can always be updated (#11028).
