

Redmine - Defect #11732

New document does not save category correctly

2012-08-29 13:23 - Miguel Ferreira

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Documents	Estimated time:	0.00 hour
Target version:		Affected version:	1.3.0
Resolution:	Duplicate		
Description			
When adding a new document to a project, the selected category is not correctly saved after hitting the save button. Instead, the default category is always assumed.			
Editing the document records and then changing the category works correctly.
