

## Redmine - Defect #11804

### Email notifications not sent to task assignees, are sent to watchers

2012-09-10 17:26 - Kristjan Mustkivi

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Email notifications	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	1.3.2
<b>Resolution:</b>			
<b>Description</b>			
<p>Hi!</p> <p>I have found a lot of threads with the same issue, a few have solutions none of which have helped me.</p> <p>In short: test email works and watchers get email notifications but assignees do not. "Sending email notification to:" in the production.log is blank.</p> <p>Ubuntu Server Redmine 1.3.2.stable (MySQL) ruby 1.8.7 (2011-06-30 patchlevel 352) [x86_64-linux] rake version 0.9.2.2 gem version 1.8.15</p> <p>Googling shows quite a lot of threads with similar problems but no viable solution in my case (all migrations have been run, DB fields like users.mail_notification varchar(255) instead of tinyint/boolean).</p> <p>A dead end so far.</p>
