Not a defect but the expected behavior.

Closing it as the feature has been requested multiple times already, see #3760.

#2 - 2013-05-16 21:51 - Jean-Philippe Lang

- Tracker changed from Defect to Feature
- Subject changed from No links to attachments in new issue email notification to Add links to attachments in new issue email notification
- Status changed from Closed to New

I'm reopening it as it's not the same as #3760 (links to attachments vs. attaching the files to the email).
