| <b>Description</b>   |                                  |
| <p>It would be cool to add "Comments" checkbox to spent time report to show not only spent time grouped by days/weeks/member/project/etc., but also time log comments as leafs of the spent time tree.</p> <p>I.e. I want to open spent time report on Monday, choose last week/member/activity/issue and to see not only spent time for each issue, but also spent time comments by the issues.</p> |                                  |
