

## Redmine - Defect #13060

### Fix macro call to `{{sample_macro}}` in `[[Donors]]` wiki page

2013-02-02 06:47 - Mischa The Evil

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Jean-Philippe Lang	<b>% Done:</b>	0%
<b>Category:</b>	Website (redmine.org)	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>	Invalid		
<b>Description</b>			
As the subject states. It should generate the donate link, I think.

#### History

##### #1 - 2013-02-02 09:56 - Jean-Philippe Lang

The link is OK for me on the [Donors](#) page. What is the problem?

##### #2 - 2013-02-02 11:13 - Etienne Massip

I think it is only broken in history.

##### #3 - 2013-02-03 00:12 - Mischa The Evil

My apologies. Etienne is right. It is tied to the history only.

I observed this issue while browsing [Donors](#) at the currently latest page version #85 via the direct link to the page version (in this case <http://www.redmine.org/projects/redmine/wiki/Donors/85>) in the history view.

This can be split-up into three things I guess:

1. How do macro's behave while viewing *current* page version *with* version parameter?
2. How do macro's behave while viewing *previous* page versions *with* version parameter?
3. Do 1 and 2 only apply to the `sample_macro` here on `rm.o` or does this also apply to the core macro's?

This reminds me a bit to issue [#9674](#).

##### #4 - 2013-02-10 17:19 - Jean-Philippe Lang

- Status changed from *New* to *Closed*

- Resolution set to *Invalid*

The behaviour depends on the macro implementation entirely. The macro that display the Donate button is not supposed to work on the history.
