

Redmine - Patch #13068

Allow plugins to generate test coverage reports on MRI 1.9

2013-02-03 17:12 - Harry Garrod

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
The attached patch adds a rake task redmine:plugins:coverage, which uses SimpleCov to generate plugin test coverage reports.			

History

#1 - 2013-02-05 20:31 - Harry Garrod

Based on trunk [r11307](#)

#2 - 2013-02-15 23:44 - Harry Garrod

I can't get this to work anymore :(now fails (trunk [r11399](#)) with:

```
/home/garrod/.rbenv/versions/1.9.3-p374/lib/ruby/1.9.1/test/unit.rb:167:in `block in non_options': file not found: redmine:plugins:coverage (ArgumentError)
  from /home/garrod/.rbenv/versions/1.9.3-p374/lib/ruby/1.9.1/test/unit.rb:146:in `map!'
  from /home/garrod/.rbenv/versions/1.9.3-p374/lib/ruby/1.9.1/test/unit.rb:146:in `non_options'
  from /home/garrod/.rbenv/versions/1.9.3-p374/lib/ruby/1.9.1/test/unit.rb:207:in `non_options'
  from /home/garrod/.rbenv/versions/1.9.3-p374/lib/ruby/1.9.1/test/unit.rb:52:in `process_args'
