Could you give more details because I can't reproduce this problem.

Which setting exactly is ignored ?

##### #2 - 2007-10-16 04:48 - Andrew Gresyk

I just realized I used wrong button - 'Apply' in the right form (the one that allows you selecting issues trackers) instead of 'Submit' button.

I think you can discard this bug.

##### #3 - 2007-10-16 12:36 - Jean-Philippe Lang

OK
