<b>Description</b>			
<p>Currently, the context menu (class="hascontextmenu") is not shown when right clicking on a link (&lt;a&gt;...&lt;/a&gt;), but it shown when right clicking on a link image &lt;a&gt;&lt;img&gt;...&lt;/img&gt;&lt;/a&gt;.</p> <p>Showing the context menu will hide the normal right click menu allowing, for example, to open the link in a new window.</p> <p>I'm not a javascript expert, but the proposed patch does the trick</p>
