

Redmine - Feature #13789

default assignment

2013-04-17 10:56 - Anthony Lara

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Issues	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description Hi everybody, I just want when an user add a new ticket, assignement select automaticaly the group that the user can choose. Indeed many people forget to select the group. Is it possible?	
Related issues: Related to Redmine - Feature #482: Default assignee on each project Closed	

History

#1 - 2013-04-17 11:45 - Toshi MARUYAMA

- Tracker changed from Defect to Feature
- Category set to Issues
- Priority changed from High to Normal

#2 - 2013-05-30 19:08 - Jan Niggemann (redmine.org team member)

- Status changed from New to Needs feedback

Isn't this a dupe of [#482](#)?

It looks like it is. Although, [#482](#) was initially talking about user assignment while this issue is regarding group assignment. Nevertheless, [#482](#) will probably cover group assignment too.

#5 - 2019-05-07 04:35 - Go MAEDA

- Status changed from Needs feedback to Closed
- Resolution set to Duplicate

The feature has been delivered in Redmine 3.4.0 ([#482](#)). It supports both a user and a group.
