

## Redmine - Defect #14178

### PDF API broken in version 2.3.1

2013-05-30 17:51 - Massimo Rossello

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	PDF export	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	2.3.2	<b>Affected version:</b>	2.3.1
<b>Resolution:</b>	Fixed		
<b>Description</b>			
The change in number of arguments in <code>issues_to_pdf_draw_borders()</code> in file <code>lib/redmine/export/pdf.rb</code> introduced by <a href="#">#13630</a> ( <a href="#">r11693</a> ) breaks some plugins (namely <code>redmine_wktime</code> ).			
Would it be possible to restore the same arguments, even if <code>id_width</code> argument not used, for API compatibility?			
Thanks
