

Redmine - Defect #14447

Additional status transitions for assignees do not work if assigned to a group

2013-07-12 11:24 - Anonymous

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Issues workflow	Estimated time:	0.00 hour
Target version:	2.3.3	Affected version:	
Resolution:	Fixed		

Description

The additional status transitions for an assignee are not working/not allowed if the issue is assigned to a group (who has the appropriate role). If the ticket gets assigned to a dedicated user (who belongs to the former assigned group), the additional transitions are allowed.

Please see the attached screenshots for details.
