#### History

##### #1 - 2015-07-28 18:01 - Go MAEDA

- Category changed from Themes to UI
- Target version set to 3.2.0

This small change improves look and feel.  
Let's include it in 3.2.0.

##### #2 - 2015-10-04 14:33 - Jean-Philippe Lang

I'm not a big fan of icons everywhere. We already have icons for the main actions links (Edit, Watch...) and I'd prefer to keep export links as they are.

##### #3 - 2015-10-04 14:38 - Go MAEDA

- Target version deleted (3.2.0)

Thanks for feedback. I will withdraw this.
