### History

#### #1 - 2013-09-02 11:33 - Emeric D

There is a bug in the latest version of redmine: when the email address of a member of the project is not valid, there is no notification by email to other members...

#### #2 - 2013-09-02 11:40 - we wei

I can receive email notification in a new project, but the project the following components can not receive email notification, could you tell me you said this is the reason

#### #3 - 2013-09-03 03:19 - Toshi MARUYAMA

- Category set to Email notifications

#### #4 - 2013-09-17 08:48 - Toshi MARUYAMA

- Has duplicate Defect #14852: Email notification limit added

#### #5 - 2024-10-23 14:13 - Holger Just

- Status changed from New to Closed

- Resolution set to Cant reproduce

There is unfortunately way too little information to be able to debug this. As the issue is now quite old and things have changed significantly since then, I'm closing this.
