#### History

##### #1 - 2013-09-04 10:40 - Marc Schlaich

Possible fix could be.

```
if page.content.updated_on.nil?  
  page.content.save  
else  
  Time.fake(page.content.updated_on) { page.content.save }  
end
```

I'm no ruby developer but it worked for me ;-)
