

Redmine - Defect #14845

Error in user controller

2013-09-04 10:44 - Marc Schlaich

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	Affected version: 2.2.3
Resolution: Duplicate	

Description

Started GET "/users/1" for 10.10.50.70 at Wed Sep 04 10:38:49 +0000 2013
Processing by UsersController#show as HTML
Parameters: {"id"=>"1"}
Current user: admin (id=1)
Completed 500 Internal Server Error in 49ms

```
NoMethodError (undefined method `<=>' for nil:NilClass):  
lib/redmine/activity/fetcher.rb:80:in `events'  
lib/redmine/activity/fetcher.rb:80:in `sort!'  
lib/redmine/activity/fetcher.rb:80:in `events'  
app/controllers/users_controller.rb:68:in `show'
```

This could be a regression from running migrate_from_trac.

Is duplicate of Redmine - Patch #14567: migrate_from_trac.rake does not conve... **New**

History

#1 - 2013-09-04 11:31 - Marc Schlaich

This is definitely a regression from running migrate_from_trac. Just confirmed with a clean environment.

#2 - 2013-09-04 11:42 - Marc Schlaich

Should be fixed with [#14567](#)

#3 - 2013-09-05 15:01 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Duplicate

#6 - 2013-09-05 15:01 - Etienne Massip

- Is duplicate of Patch #14567: migrate_from_trac.rake does not convert timestamps in Trac database version 23 added

#7 - 2013-09-26 08:09 - Craig Rodrigues

Marc,

Can you replace your copy of migrate_from_trac.rake with this file:

https://raw.githubusercontent.com/rodrigc/redmine/master/lib/tasks/migrate_from_trac.rake

and re-do your trac to redmine migration? I would like feedback.

This has fixes for [#14567](#) and some other fixes

that I did.
