

## Redmine - Defect #14969

### ActiceSupport::TimeWithZone failed in migrate\_from\_mantis.rake

2013-09-23 05:30 - Mac Chang

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Urgent	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Importers	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	2.3.3
<b>Resolution:</b>			
<b>Description</b>			
The Redmine installation information as below:			
@Information			
Redmine 2.3.3.stable			
Default administrator account changed True			
Attachments directory writable True			
Plugin assets directory writable True			
RMagick available (optional) True			
Environment:			
Redmine version 2.3.3.stable			
Ruby version 1.9.3-p231 (2012-05-25) [i386-mingw32]			
Rails version 3.2.13			
Environment production			
Database adapter Mysql2			
Redmine plugins:			
no plugin installed			
Mantis Bug Tracker version: 1.2.15			
@			
I referred from this page's SQL coding ( <a href="http://www.webismy mind.be/upload/documents/migrate_from_mantis_1_2.sql">http://www.webismy mind.be/upload/documents/migrate_from_mantis_1_2.sql</a> ), altered and update my Mantis database time format.			
Also, I edited the migrate_from_mantis.rake script, connection seems fine on a fresh installed Redmine until I encounter this error:			
""comparison of Fixnum with ActiveSupport::TimeWithZone failed""			
Please advice me what is the error and what I have to edit on my migrate_from_mantis.rake script. See attachment for more information. Thank you.
