Please take a look at issue [#9676](#). Is that what you mean to say with this issue ?

#### #2 - 2013-10-18 16:46 - Daniel Koch

Same issue correct,  
But looks like there is no fix.

Thanks for the feedback. I'll close this issue as a duplicate.

Nothing has been changed for [#9676](#) yet. Please do note that the feature (due date email reminding) is actually working as designed (that is that is includes overdue issues [try the <= operator for yourself in the issue list filters]). What should be updated is the documentation of the feature.
