### Multiple scrollbars in project selection tree

<b>Resolution:</b>	Fixed		
<b>Description</b>			
<p>When clicking on Administration -&gt; Trackers -&gt; &lt;click on tracker name&gt; you get to the "Tracker Edit" View. On the right-hand side of the page, you see the list of all projects with this tracker in the "Projects" fieldset/group box (see attachment).</p> <p>Unfortunately, if there are many nested projects in this list, there is a vertical scrollbar for each level (in your case 4!).</p> <p>To improve this, you could simply make the fieldset bigger (= higher) as there is enough space left below it.</p>
