<b>Description</b>			
<p>I have redmine 2.4.1, when I upload a file as attachment to a new issue, which file name contains a "+" letter, then redmine will send a email to me to remind the new issue, I open the email and click the attachment, it comes 404 error, I check the address, it was "+" which change to "%20" which causes links fail. any idea to correct it? thanks</p> <p>BRs Ray</p>
