

Redmine - Feature #1658

Custom user fields are not available in My account pages

2008-07-17 11:12 - Mak Babu

Status:	Closed	Start date:	2008-07-17
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Accounts / authentication	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description			
custom user fields, should be available for editing in my accounts pages as part of the information tab. For eg., say we create a mandatory user field called yahoo id, the user should be able to set it himself. it would be impossible for the administrator to set the fields.
