Description	
If I have 3 public projects and 2 private projects an anonymous user(or any user) can see all my projects if he clicks on my user. Based on the user rights, it should see only those projects visible to him.	
Thanks.

Also the possibility to have a profile(short wiki description, like project description) it will be nice.

#2 - 2008-01-04 13:03 - Jean-Philippe Lang

Fix committed in [r1036](#).

Also the possibility to have a profile will be nice.

Please fill a feature request for that.

Thx
