<p>Description</p> <p>Emails header "From" can be not only in angles format, like this:</p> <p>From: John Doe <john.doe@company.mail></p> <p>but also in parentheses format, like this:</p> <p>From: john.doe@company.mail (John Doe)</p> <p>For example sendmail from postfix does this when using switch -F. The patch to fix this is attached.</p>
