Redmine - Patch #19188

Add Hooks to Issue Show View above and below floating changesets

2015-02-25 22:01 - Travis Spangle

Status:	Closed		**Start date:**

Category:	Hook requests		**Estimated time:**	0.00 hour
Target version:				

Description

Please apply the patch to add two new hooks to issues/show.html.erb. They will be called before and after the floating changesets.

This will allow me to clean up my plugin - https://github.com/TravisSpangle/redmine_spent_time_in_issue_description. Instead of doing this tomfoolery, thanks!

History

#1 - 2016-12-30 09:25 - Go MAEDA

- Category changed from Plugin API to Hook requests

#2 - 2021-10-16 10:54 - Go MAEDA

- Status changed from New to Closed

I am closing this issue because Redmine 4.1.0 and later don't have the floating changesets box. It has been removed and changed to a tab in the issue history (#3058).
