#1 - 2020-03-18 02:15 - Yuichi HARADA

- File *expect.png* added
- File *actual.png* added
- File *19248.patch* added

I confirmed that the display position of the end mark was shifted. In addition, the display position of the end mark of the PNG image was shifted similarly.

expect	actual
expect.png	actual.png

Improved with the following patch.

```
