

Redmine - Feature #19475

Allow custom field (Integer) to be searchable

2015-03-25 11:08 - Maxim Krušina

Category: Custom fields	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description We're using Redmine also as our Inventory tracker (works great!), but now it's very complicated to search via our internal item id. Please, allow Integer custom field as searchable, also. Imho it should be default off for Integer data type.
