

Redmine - Feature #19955

Propose to close an issue that duplicates another one when the later is already closed

2015-05-27 11:59 - Frederic Cand

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: UI	Estimated time: 0.00 hour
Target version:	
Resolution:	
Description	
Steps to reproduce	
<ol style="list-style-type: none">1. create an issue A2. mark it "fixed" (or any "closed" status)3. create another issue B4. add relation "B duplicates A" (so that closing A would close B)	
Actual result	
A warning says that A is already closed	
Desired result	
A warning saying that A is already closed + a proposal to close B as well

Actual result

A warning says that A is already closed

AFAIK, Redmine core does not have such warning.
Do you use plugin?
