History

<https://github.com/redmine/redmine/pull/55>

#2 - 2015-05-27 16:42 - Toshi MARUYAMA

It seems acts_as_versioned is dead.

I think we would better use paper_trail gem instead.

I think we don't use this code, so we cannot test.

We cannot manage unused code of bundled gem, so we should use maintained gem instead ([#19959](#)).
