+1, great patch!

Changed properties whilst having regard to <u>'the rules'</u>...

Not working for me either. The watcher filter is available, but no choice except for "me" is available.

```
Environment:
  Redmine version              2.3.2.stable.12132
  Ruby version                 1.8.7-p352 (2011-06-30) [x86_64-linux]
  Rails version                3.2.13
  Database adapter             Mysql2
```

Feature added in r2456 (http://www.redmine.org/projects/redmine/repository/revisions/2456/entry/trunk/app/models/query.rb) using a different approach.
