

Redmine - Defect #20029

mails are not formatting in redmine 3.X either markdown or textile defined

2015-06-05 15:07 - PICCORO LenzMcKAY

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:		Affected version:	3.0.1
Resolution:	Cant reproduce		
Description			
recently used redmine 3.0.0 does not send the mails notifications in format defined at configuration.			
the mails arrived as plain text but with the format without procesed, example:			
1) define the header in configurations as textile and also define the header as:			
<code>h1. This its a notification</code>			
2) when i receive the email the result was:			
<code>h1. This its a notificacion</code>			
<code>Redmine test email</code>			
3) espected result:			
This its a notification			
<code>Redmine test email</code>			
...			
Same behavior if used markdown
