

Redmine - Feature #20134

Issues from open projects on my page issue list - addition filter on issue list 'my open projects'

2015-06-19 12:22 - Marcin Świątkiewicz

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	My page	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
Description			
<p>I just wrote a plugin -> https://github.com/efigence/redmine_override_my_issues, which overrides My page view and shows user only issues from open projects and user can choose how many issue want to see in the issue box.</p> <p>This plugin requires few changes in redmine (see diff) - because it's difficult to override this methods.</p> <p>Moreover this feature changes will work without plugin, as additional filter.</p>			

History

#1 - 2021-08-17 01:41 - Go MAEDA

My page blocks in Redmine 4.0.0 or later don't show issues of closed projects (#29449).

#2 - 2021-08-17 08:03 - Mischa The Evil

- Status changed from New to Needs feedback
- Assignee set to Marcin Świątkiewicz

@Marcin: Can you test the features of #29449 and #20081?

#3 - 2021-09-06 22:02 - Marius BALTEANU

- Status changed from Needs feedback to Closed
- Assignee deleted (Marcin Świątkiewicz)
- Resolution set to Invalid

He is an inactive user, I think it is safe to close this. Please reopen if I'm wrong.
