

Redmine - Patch #2016

Tracker Moves of an Issue should create an entry in the activity

2008-10-09 20:27 - Karl Heinz Marbaise

Status:	New	Start date:	2008-10-09
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Activity view	Estimated time:	0.00 hour
Target version:			
Description			
During a test with Redmine (dev) i have moved an entry from being an Feature to a Bug (Tracker), but there has no entry in the activity log appeared. My opinion is to have an entry for this kind of change.			

History

#1 - 2008-10-09 23:50 - Karl Heinz Marbaise

- File *redmine-issue-2016.patch* added

Added a patch to fix the issue.

#2 - 2008-10-10 22:51 - Karl Heinz Marbaise

- Target version set to 0.8

#3 - 2008-10-12 21:13 - Jean-Philippe Lang

- Tracker changed from Defect to Patch

#4 - 2008-11-01 11:49 - Markus Knittig

+1

#5 - 2008-11-11 10:34 - Jean-Philippe Lang

- Target version deleted (0.8)

#6 - 2009-05-23 15:35 - Jens Goldhammer

+1.

What's the reason for not adding this little patch?

#7 - 2019-05-09 14:59 - Go MAEDA

- Category changed from Issues to Activity view
