

Redmine - Patch #2052

Milestones will not correctly converted.

2008-10-19 16:11 - Karl Heinz Marbaise

Status:	Closed	Start date:	2008-10-19
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Importers	Estimated time:	0.00 hour
Target version:	0.8		
Description I have observed that the following trac constructs [milestone:"0.1.0 Mercury" Milestone 0.1.0 (Mercury)] [milestone:"Test Milestone X"] and milestone:1.0.0 etc. will not be converted into Redmine during the migration process. I have created a patch to solve the problem.
