History

#1 - 2008-11-11 14:24 - Jean-Philippe Lang

- Target version deleted (0.8)

#2 - 2013-02-06 10:54 - Daniel Felix

Anyone who can confirm this with the current trunk?

The supposed behaviour would be:

replace [mailto:supose@soebes.de] with supose@soebes.de
