

Redmine - Feature #20985

Include private\_notes property in xml/json Journals output

2015-10-14 00:49 - Tiago Cândido

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	REST API	Estimated time:	0.00 hour
Target version:	3.3.0		
Resolution:	Fixed		
<b>Description</b> When getting issues with the REST api, the journal flag private_notes isn't included.  I've solved the problem on my local copy by modifying one files: <ul style="list-style-type: none"><li>views/issues/show.api.rsb<ul style="list-style-type: none"><li>add</li></ul></li></ul> <code>api.private_notes journal.private_notes</code>

When is this fix available in a Redmine release?

#2 - 2016-03-28 08:08 - Go MAEDA

- Target version set to Candidate for next major release

#3 - 2016-04-12 05:01 - Takenori TAKAKI

- File adds\_issue\_journal\_private\_notes\_to\_api\_trunk\_r15327.patch added

I have added the test-code on [Tiago Cândido](#) 's patch: [adds\\_issue\\_journal\\_private\\_notes\\_to\\_api.diff](#) and I made sure that all tests passed on latest trunk ([r15327](#)).  
I would be very happy if I could see the feature in Redmine 3.3.0.

#4 - 2016-05-11 17:32 - Toshi MARUYAMA

- Target version changed from Candidate for next major release to 3.3.0

#5 - 2016-05-16 08:25 - Jean-Philippe Lang

- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang
- Resolution set to Fixed

Committed, thanks.
