

Redmine - Feature #22107

Add "Project status" to issues list's filters

2016-02-24 08:56 - Maxim Krušina

| | |
|--|----------------------------------|
| Status: Closed | Start date: |
| Priority: Normal | Due date: |
| Assignee: | % Done: 0% |
| Category: Issues filter | Estimated time: 0.00 hour |
| Target version: | |
| Resolution: Duplicate | |
| Description Example: when I list all tickets assigned to me for big project (with lot of subprojects - yep, cleaning tickets :) I use filter Tickets = Open, Assignee to = me But in list, there are also tickets from already closed (sub)projects. Currently, there is no way to list only open tickets in open projects (excludin closed ones). | |
