Description Add the permission "view board".			
Related issues: Is duplicate of Redmine - Feature #4866: New permission: view forum			
		Closed	2010-02-17

History

#1 - 2008-11-24 23:12 - Markus Knittig

This permission exists already under the name "view messages". Remove ", :public => true" in lib/redmine.rb to make it visible.

Ok thanks,

just a last question, next update of lib/redmine.rb it will have a merge with the new file. So is it not better to have this on the database ?

Thanks for the good job on Redmine.

No.

#5 - 2017-09-04 14:34 - Go MAEDA

- Is duplicate of Feature #4866: New permission: view forum added

#6 - 2017-09-04 14:35 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Duplicate

"View messages" permission has been added by [#4866](#) for Redmine 3.4.0.
