

Redmine - Defect #22498

"View all issues" page should allow to filter by all custom fields

2016-04-14 09:22 - Sebastian Paluch

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Issues filter	Estimated time: 0.00 hour
Target version:	Affected version: 3.2.0
Resolution:	
Description The all issue page under "/redmine/issues" has only core fields, custom fields are missing in both filters and columns, this is a problem as does not allow to build cross project summary queries. I thought I saw similar issue but could not find it, somehow related is #17664 .
