Redmine - Defect #2257

Project activity partially broken by new user activity code

2008-12-01 18:34 - Jack Christensen

Status:	Closed		**Start date:**	2008-12-01
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Projects		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Fixed		**Affected version:**	

Description

The form on the side bar to filter activity by by issues or wiki edits was broken by [r2067](). It always submits a user_id from the params hash even if no user_id is given. This causes a failure. Solution appears to be to add

```
if params[:user_id]
```

to the end of line 55.
